

The Nebraska Herpetological Society

C/O Department of Biology
University of Nebraska at Omaha
Omaha, NE 68182-0400

Membership Information

The Nebraska Herpetological Society (NHS) is a non-profit organization dedicated to the conservation of amphibians and reptiles, the encouragement of responsible captive propagation, and the promotion of public education & understanding of reptiles and amphibians.

All those interested are invited and encouraged to become members of NHS. Annual membership dues (January 1st) are \$5.00 (individual), \$10.00 (family), \$10.00 (corresponding—no voting privileges) and \$100.00 (contributing). Donation are gratefully accepted and always welcomed.

Members are encouraged to participate in NHS functions and will receive copies of the Society Newsletter which is published quarterly. Meetings are typically held on the first or second Saturday of each month. **Meeting schedules and activities are posted on Nebherp.org or Facebook/Nebraska Herpetological Society Page**
